CALM WAVES

▶ NATURE AMBIENCES

We are proudly presents our new series called "Nature Ambiences" as the name says, all products filled with nature recordings to give your production a natural and organic edge. The first edition of the series is "Calm Waves" features a variety of Wave sounds recorded in different locations and surfaces including sandy coast, rocky seashore, pebble-filled beaches, jetties and silent shores.. Let the waves lap over you!

This collection contains everything from quiet calmly flowing bubbles to gentle ripples, small waves dashing against the rock to rising splashes, sizzles on pebbles to gentle laps in coves, soothing waves hitting into a shore as well as seawater flowing over the boulders. Each sounds features a multitude of characteristics such as lapping, gurgling, bubbling, splashing, surging and many other forms.. Recorded with Rode NT4, Rode NTG-8, Audio Technica BP4025, Zoom F8, Tascam DR-44WL and captured in different microphone perspectives during different weather conditions and contains a variety of distance recording points for getting sound at close, moderate, distant etc.. fit nearly every mood so, you are free to use them depending on your needs.

In detail you get 65 wave sounds ready for use and all of the samples have been pre-cleared and are 100% original & royalty-free for your use without any additional licensing fees and comes with an incredible sample rate of 192kHz/24bit to give you the best quality for extreme pitch-shifting and FX processing while keeping a top notch level of clarity and precision.

"Calm Waves" is suitable for any production like documentary, movie, trailer, game, soothing background music, advertising or any kind of cinematic projects requiring high-quality Sea Wave recordings.. Also ideal complement for producers and composers working in the genres of ambient, downtempo, new age, electronica and experimental..

Lie back and listen to the sound of gentle waves washing into the sand..
