0029 Voices
0145 Bonus Sounds
0025 Ambience & Field Recordings
0045 Monsters & Creatures
0025 Stingers
0050 Whooshes
0155 Pre-Designed SFX

We're proud to announce our newest sound library: Witchcraft; formed by primal dark elemental forces and full of darkness!! Featuring over 13GB of elemental dark magic SFX consist of +1750 high quality sound effects - there are variety of magical content related to spells, curses, kill cast, conjures, exploration, defense, transformation, attack and more.. So you can harness the power of the ethereal elements to create your own unique spells, defensive or offensive effects, such as creating a blast of psychic energy or generating venomous energy, a defensive type of magic also to do with elemental.

This enchanting library focuses on the 7 main elements of magic: Acid, Earth, Electricity, Fire, Ice, Nature and Water, but also includes a huge range of additional material to allow you to cater the library to your needs - and brings you production-ready elements as: immolation, paralyze, torment, petrification, summon, acid lance, glacial spike, energy burst, firebolt, fulmination, frozen touch, sandstorm, waterspout, fire arrow, cauterize, boulder cast, telekinesis, ignition, blizzard spell, water strike, revenge spell, acid rain... plus more variety of dark magical content with empower of all elements power and raw sources... One of the greatest assets of this library is that it provides you with three main folder to speed up your process: Designed, Designer Tools and Pre-Designed.. All the designed sounds are hyper-detailed, layered and manipulated so that they can easily be added to your projects. Are you ready to exploring the realms of Witchcraft?

The "Designed" folder includes the bulk of the library's content with an eclectic range of ready-to-use sound effects. All that sounds are of varying lengths and stand strongly on their own just simply drag'n drop it into your project and make it sound magical. It's organized in various focused content including Elemental folder which are split in to the seven elements as mentioned above additionally there are a few folders included such as Conjures, Spheres, Summons and Various Casts for easy access and finding the right element quickly to use your unique Casts..

The second folder "Designer Tools" allowing you to exercise your creativity with what it includes; contains all the necessary elements you need to design your own magical sounds from scratch... Consist of Atmospheres, Drones, Piercers, Reverses, Stingers, Subs, Sweeps, Textures, Voices and fully organic Elemental contents such as; Electricity, Fire, Ice, Liquid, Rock, Sands & Gravels and Pebbles, Wind and Woods - in details buzz power, electrocution, electric glitches and noises, sparks, statics, welding, black powder burst, blowtorch, gas flames, gun powders, hair spray, burning oil, frying bacon, oil burst, ice crackles, ice impacts, aquarium air stones, boiling corn starch, bubbling water, drifting and sliding rock, sand and gravel crackles, wind, woods PLUS Bonus sounds includes ambiances, monsters and creatures SFX, stingers and whooshes. All the sounds recorded with Rode NTG-3, Rode NT4, Rode NTG-8, Rode NT1, AKG C414, Sound Devices 722, Zoom F8, Zoom H6, Tascam DR-44WL and perfectly categorized and labeled to make it easy for you to use them and ready to combine with the other sources and create the most unique sound for your magic! combinations are endless! All that sounds comes with an incredible sample rate of 192kHz/24bit to give you the best quality for extreme pitch-shifting and fx processing while keeping a top notch level of clarity and precision..

Finally the "Pre-Designed" contains half-ly design sounds ; the main idea behind this we want to give you more flexibility on working a new project. You are totally free to manipulate any of them by mixing other sounds ie. water, ice, fire, earth, air.. or create a new one with integrated either with designed sounds and designed tools, or different sounds entirely.. also using in collaboration with the other sounds that you already own.. It is smallest folder than the others but gives you a high level of customization to craft unique SFX sounds yourself; from chemical liquid gush to magic steam, acid burst to rock crumble, electric burst to electro magnetic sounds, gas flame to instant incineration, glacial dropping to ice stress, ice cracking to earthquake, glacier erosion to iceberg fracturing and much more.. Every sound was originally recorded at 24bit / 192kHz delivered in 24bit / 96kHz to ensure the highest quality for today's cinematic production needs.

In detail expect to find 1220 Designer Tools consist of 19 Atmospheres, 26 Drones, 30 Piercers, 20 Reverses, 22 Stingers, 10 Subs, 54 Sweeps, 40 Textures, 29 Voices and 825 Elemental Sounds includes 143 Electricity, 214 Fire, 40 Ice, 214 Liquid, 118 Rock, 70 Sand & Gravel & Pebble, 10 Wind and 16 Wood PLUS 145 Bonus Sounds divided into 25 Ambience & Field Recordings, 45 Monsters & Creatures, 25 Stingers and 50 Whooshes. 382 Designed SFX contains 22 Various Cast, 18 Conjures, 11 Spheres, 11 Summons and 320 Elemental Cast & Spells includes 48 Acid Cast, 69 Earth Cast, 30 Electricity Cast, 42 Fire Cast, 62 Ice Cast, 38 Nature Cast and 31 Water Cast and lastly 155 Pre-Designed SFX. All of the samples have been pre-cleared and are 100% original & royalty-free for your use without any additional licensing fees.

"Witchcraft" will find its place in your library as an indispensable reference point for your next fantasy production, movie, trailer, game, documentary, advertising or any kind of cinematic and multimedia project. Perfect for any kind of magical, mystery and fantasy scene or project also be well suited in many other situations where film standard sound is required.

Feel the power of dark magic and try to find all the secrets of the witches then fight all evil forces with this enchanted library !!

LICENSE AGREEMENT

By downloading the library you accept the following license agreement:

LICENSE GRANT

This license is granted for a single user only (and is given on a worldwide basis). The license is non-exclusive and is granted for the full period of copyright protection and sound samples. No unlicensed use is permitted. All sounds and samples contained in this product are copyrights of Cinetools.

Cinetools allows you to use any of the sounds and samples in the library(s) you've purchased for the creation and production of commercial recordings, music, sound design, post production, or other content creation without paying any additional license fees. The Licensee may use the Sounds in combination with other sounds in music productions (which include soundtracks of such as films, video productions, radio/TV programs or commercials, computer games and multimedia presentations, library music), public performances, and other reasonable musical purposes within musical compositions.

The Licensee may modify the Sounds and may use the Sounds for commercial purposes as part of a musical composition with other sounds.

This license expressly forbids usage of Cinetools products (in particular samples, loops, cues) to create sounds OR other content for any kind of virtual instrument, sample library, sample-based product, musical instrument, or competitive products that are sold or relicensed to multiple third parties. In these scenarios the Licensee must arrange an extension with Cinetools.

In addition, "naked" or "isolated" samples, loops, cues are not to be sold or distributed as individually licensable "stripes", "work parts" or "elements" and cannot be used to create tracks for Library Music.

This license also forbids any unauthorized transfer, resale or any other form of re-distribution of this product, or its constituent sounds or programming, through any means, including but not limited to re-sampling, reverse engineering, de-compiling, remixing, processing, isolating, or embedding into software or hardware of any kind. You cannot electronically transfer the sound samples or place them in a time-sharing or service bureau operation or a computer/sampler network.

RIGHTS

Cinetools retains full copyright privileges and complete ownership of all recorded sounds, instrument programming, documentation and musical performances included within this product.

REFUNDS

Downloaded libraries can't be returned, so we can't provide refunds or exchanges - unless you have a faulty product. In this scenario, that product will be exchanged for the same product for a period of 30 days - PLEASE be aware that as soon as you've downloaded it, it can not be returned.

TERMS

This license agreement is effective from the moment the product is purchased or acquired by any means. The license will remain in full effect until termination by Cinetools. The license is terminated if you break any of the terms or conditions of this agreement, or request a refund for any reason. Upon termination you agree to destroy all copies and contents of the product at your own expense.

Licenses cannot be transferred or sold to another entity, without written consent of Cinetools.

By purchasing this product you agreed all the terms, conditions and limitations of use contained in this agreement.
