PERFECT FOR MODERN HORROR AND THRILLER!

Drums and percussions plays a vital role in the creation of uncomfortable moments and atmospheres that drives into perturbation. This time we are providing an extensive collection of percussions that puts you in the middle of awkward, uncanny and deadly rituals. Are you ready to start a mystical journey to the roots of shamanism spirituality!

Cinetools presents Tribe; is an invitation to a world that you could have never imagined existing! Featuring dark aleatoric sound designs with bold and unsettling rich sonic impact that will make your production life easier for you! This tremendous library contains hundreds of percussive elements to help you to achieve such a level of emotional tension and discomfort through sound. From merciless percussive aggressions to twisted and processed drums, mangled percussions to traditional and bewitching rhythmic underscores, trippy percussive crescendos and swells to looming dark drum rolls, panic-stricken threatening stingers to brain-scrambling sequences and much much more.. you will be sure to find what you are looking for.

In detail expect to find +19GB of high quality sounds including 5383 SFX divided into two main folders Designed SFX and Designer Tools. Designed SFX Folder contains 1007 ready-to-use sounds consist of 75 Atmospheres, 32 Crescendos, 347 Drum & Percussion Hits includes 110 Acoustic, 66 Atmospheric & Distant, 50 Cinematic, 61 Dark & Boomy, 33 Industrial & Metallic and 27 Synthetic, 318 Drum & Percussion Loops consist of 43 Atmospheric Drum Beds, 81 Chaotic Sequences, 74 Dark Cinematic Rhythms, 51 Rhythmic Patterns and 69 Ritual Grooves, 31 Flams, 24 Reverses, 28 Rolls, 54 Stings, 46 Swells and 52 Textures. Every sound in the folder is recorded at 24bit / 192kHz, designed and delivered in industry-standard 24bit / 96kHz to ensure the highest quality for today's cinematic production needs. All the sounds in this library are perfectly categorized and labeled to make it easy for you to find them and to speed up your workflow with finding the right elements quickly to evoke a specific emotion you need!

“Designer Tools” includes 4376 sounds recorded with a live percussion ensemble to create all kinds of stunning and awe inspiring trailers.. We give you a powerful toolset to design your own unique sounds from scratch and you are totally free to manipulate any of them by mixing other sounds. LICENSE GRANT

This license is granted for a single user only (and is given on a worldwide basis). The license is non-exclusive and is granted for the full period of copyright protection and sound samples. No unlicensed use is permitted. All sounds and samples contained in this product are copyrights of Cinetools.

Cinetools allows you to use any of the sounds and samples in the library(s) you've purchased for the creation and production of commercial recordings, music, sound design, post production, or other content creation without paying any additional license fees. The Licensee may use the Sounds in combination with other sounds in music productions (which include soundtracks of such as films, video productions, radio/TV programs or commercials, computer games and multimedia presentations, library music), public performances, and other reasonable musical purposes within musical compositions.

The Licensee may modify the Sounds and may use the Sounds for commercial purposes as part of a musical composition with other sounds.

This license expressly forbids usage of Cinetools products (in particular samples, loops, cues) to create sounds OR other content for any kind of virtual instrument, sample library, sample-based product, musical instrument, or competitive products that are sold or relicensed to multiple third parties. In these scenarios the Licensee must arrange an extension with Cinetools.

In addition, "naked" or "isolated" samples, loops, cues are not to be sold or distributed as individually licensable "stripes", "work parts" or "elements" and cannot be used to create tracks for Library Music.

This license also forbids any unauthorized transfer, resale or any other form of re-distribution of this product, or its constituent sounds or programming, through any means, including but not limited to re-sampling, reverse engineering, de-compiling, remixing, processing, isolating, or embedding into software or hardware of any kind. You cannot electronically transfer the sound samples or place them in a time-sharing or service bureau operation or a computer/sampler network.

RIGHTS

Cinetools retains full copyright privileges and complete ownership of all recorded sounds, instrument programming, documentation and musical performances included within this product.

REFUNDS

Downloaded libraries can't be returned, so we can't provide refunds or exchanges - unless you have a faulty product. In this scenario, that product will be exchanged for the same product for a period of 30 days - PLEASE be aware that as soon as you've downloaded it, it can not be returned.

TERMS

This license agreement is effective from the moment the product is purchased or acquired by any means. The license will remain in full effect until termination by Cinetools. The license is terminated if you break any of the terms or conditions of this agreement, or request a refund for any reason. Upon termination you agree to destroy all copies and contents of the product at your own expense.
