Are you ready to take your production into the dark corners of humankind with unnerving sounds and a gritty edge! Cinetools proudly presents "Offworld" featuring 1000 high-quality cinematic SFX that evoke instantly unsettling sensations and post-apocalyptic imagery of alien invasions, dying planets, a devastating pandemic, uninhabitable ice-covered cities, frighteningly convincing artificial intelligence, catastrophic climate change and beyond. All ready to shake you to the core!

This enigmatic library is filled with a wide range of intensely dramatic trailer type sound effects and dystopian futuristic scoring elements with exhilarating cinematic experiences to enhance the anticipation and tension of sci-fi scenes and help you with the immersion of your audience into a futuristic world and push full-range dynamics! From deep drones to futuristic elements, dramatic pulses to heavy impacts, evolving atmospheres to hypnotic bass swells, galactic signals to powerful drums, blockbusting hits to tension-builder risers, disturbing stingers to dynamic whooshes, mesmerising melodics to cinematic braams, aggressive booms to trailer clocks, pings to reverses, suckbacks to whooshbangs and more... All of these sounds are made exclusively to provide cinematic lovers a truly diverse sonic palette for creating high definition cinematic sound effects, you can use these sound FX as they are or mix and match them with other elements from this collection to create your own ideas - only the sky's the limit!

In detail expect to find +7GB of high quality sounds including 1000 ready-to-use designed cinematic sound effects; consist of 57 Atmospheres, 20 Bass Swells, 52 Booms, 49 Braams, 45 Drones, 86 Hits, 85 Melodics, 50 Pings, 50 Pulses, 22 Reverses, 25 Risers, 45 SciFi Elements, 67 Signals, 25 Stingers, 46 Suckbacks, 20 Whooshbangs, 59 Whooshes, 197 Drums & Percussions contains 29 Clock Hits, 26 Clock Loops, 111 Drum Hits and 31 Drum Loops. Every sound was meticulously recorded at 24bit / 192kHz, designed and delivered in industry-standard 24bit / 96kHz to ensure the highest quality for today's cinematic production needs. All the sounds in this library are perfectly categorized and labeled to make it easy for you to find them and to speed up your workflow with finding the right elements quickly to evoke a specific emotion you need!

Perfect for post-apocalyptic fiction projects, thrilling action movies, intimidating alien invasion scenes, future dystopian scenarios or any dark futuristic sci-fi productions full of tension and suspense. Also it's a good source for anyone interested in dystopian present themes about witness to mankind's final moments, soundtracks for a barren landscape of twisted scenes, dark dramatic end-of-the-world backdrops or just something that needs thrilling and original content!

LICENSE GRANT

This license is granted for a single user only (and is given on a worldwide basis). The license is non-exclusive and is granted for the full period of copyright protection and sound samples. No unlicensed use is permitted. All sounds and samples contained in this product are copyrights of Cinetools.

Cinetools allows you to use any of the sounds and samples in the library(s) you've purchased for the creation and production of commercial recordings, music, sound design, post production, or other content creation without paying any additional license fees. The Licensee may use the Sounds in combination with other sounds in music productions (which include soundtracks of such as films, video productions, radio/TV programs or commercials, computer games and multimedia presentations, library music), public performances, and other reasonable musical purposes within musical compositions.

The Licensee may modify the Sounds and may use the Sounds for commercial purposes as part of a musical composition with other sounds.

This license expressly forbids usage of Cinetools products (in particular samples, loops, cues) to create sounds OR other content for any kind of virtual instrument, sample library, sample-based product, musical instrument, or competitive products that are sold or relicensed to multiple third parties. In these scenarios the Licensee must arrange an extension with Cinetools.

In addition, "naked" or "isolated" samples, loops, cues are not to be sold or distributed as individually licensable "stripes", "work parts" or "elements" and cannot be used to create tracks for Library Music.

This license also forbids any unauthorized transfer, resale or any other form of re-distribution of this product, or its constituent sounds or programming, through any means, including but not limited to re-sampling, reverse engineering, de-compiling, remixing, processing, isolating, or embedding into software or hardware of any kind. You cannot electronically transfer the sound samples or place them in a time-sharing or service bureau operation or a computer/sampler network.

RIGHTS

Cinetools retains full copyright privileges and complete ownership of all recorded sounds, instrument programming, documentation and musical performances included within this product.

REFUNDS

Downloaded libraries can't be returned, so we can't provide refunds or exchanges - unless you have a faulty product. In this scenario, that product will be exchanged for the same product for a period of 30 days - PLEASE be aware that as soon as you've downloaded it, it can not be returned.

TERMS

This license agreement is effective from the moment the product is purchased or acquired by any means. The license will remain in full effect until termination by Cinetools. The license is terminated if you break any of the terms or conditions of this agreement, or request a refund for any reason. Upon termination you agree to destroy all copies and contents of the product at your own expense.

Licenses cannot be transferred or sold to another entity, without written consent of Cinetools.

By purchasing this product you agreed all the terms, conditions and limitations of use contained in this agreement.
