CYBERPUNK HORROR SFX LIBRARY

Experience the dark and chilling world of a zombie invasion with the newest addition to Cinetools' collection "Parasite"; features over 1000 high-quality cyberpunk horror themed cinematic SFX that will transport your audience to a world of nightmares. Feel the hair on the back of your neck stand on end as you listen to the unsettling sounds of brutal zombie attacks, dying worlds, devastating pandemics, and uninhabitable cities covered in fungus. Let yourself be immersed in the frighteningly infectious virus outbreak, catastrophic hunger games, and other spine-tingling scenarios.

The library includes a wide range of modern trailer-type sound effects and dystopic scoring elements that will enhance the anticipation and tension of your cyberpunk horror scenes. From deep and dark pulses to chaotic atmospheres, hair-raising jump scares to unnerving patterns, and blockbusting hits to tension-building risers, this library has it all. The aggressive and energetic basses will make your heart race, while the cinematic braams and stirring booms will leave you on the edge of your seat. The library also features psychosis and cavernous drones, unsettling noises and glitches, and imposing pings, whooshes, tails, reverses, and much more - all designed to add enough suspense, tension, fright, and wonder to your production!

In detail expect to find +7GB of high quality sounds including +1000 ready-to-use designed cinematic sound effects; consist of 49 Atmospheres, 60 Basses, 40 Benders, 87 Booms, 60 Braams, 43 Drones, 97 Hits, 40 Jumpscars, 37 Markers, 36 Noises & Glitches, 62 Pings, 88 Pulses & Patterns, 42 Reverses, 70 Rises & Suckbacks, 39 Stingers, 30 Swells, 47 Tails and 75 Whooshes. Every sound was meticulously recorded at 24bit / 192kHz, designed and delivered in industry-standard 24bit / 96kHz to ensure the highest quality for today's cinematic production needs. All the sounds in this library are perfectly categorized and labeled to make it easy for you to find them and to speed up your workflow with finding the right elements quickly to evoke a specific emotion you need!

Whether you're working on a cyberpunk horror theme movie, a brain-twisting thriller project, or a mysterious production, this library is perfect for you. It's also a great source of inspiration for anyone interested in intense themes, soundtracks for suspense scenes, dark underscores, fearful backdrops, dystopian mysteries, or just something that needs thrilling and original content. Imagine being locked in a ruined apartment building and being surrounded by non-human beings - can you feel the fear creeping up on you? Let "Parasite" take you on a journey you'll never forget.

LICENSE GRANT

This license is granted for a single user only (and is given on a worldwide basis). The license is non-exclusive and is granted for the full period of copyright protection and sound samples. No unlicensed use is permitted. All sounds and samples contained in this product are copyrights of Cinetools.

Cinetools allows you to use any of the sounds and samples in the library(s) you've purchased for the creation and production of commercial recordings, music, sound design, post production, or other content creation without paying any additional license fees. The Licensee may use the Sounds in combination with other sounds in music productions (which include soundtracks of such as films, video productions, radio/TV programs or commercials, computer games and multimedia presentations, library music), public performances, and other reasonable musical purposes within musical compositions.

The Licensee may modify the Sounds and may use the Sounds for commercial purposes as part of a musical composition with other sounds.

This license expressly forbids usage of Cinetools products (in particular samples, loops, cues) to create sounds OR other content for any kind of virtual instrument, sample library, sample-based product, musical instrument, or competitive products that are sold or relicensed to multiple third parties. In these scenarios the Licensee must arrange an extension with Cinetools.

In addition, "naked" or "isolated" samples, loops, cues are not to be sold or distributed as individually licensable "stripes", "work parts" or "elements" and cannot be used to create tracks for Library Music.

This license also forbids any unauthorized transfer, resale or any other form of re-distribution of this product, or its constituent sounds or programming, through any means, including but not limited to re-sampling, reverse engineering, de-compiling, remixing, processing, isolating, or embedding into software or hardware of any kind. You cannot electronically transfer the sound samples or place them in a time-sharing or service bureau operation or a computer/sampler network.

RIGHTS

Cinetools retains full copyright privileges and complete ownership of all recorded sounds, instrument programming, documentation and musical performances included within this product.

REFUNDS

Downloaded libraries can't be returned, so we can't provide refunds or exchanges - unless you have a faulty product. In this scenario, that product will be exchanged for the same product for a period of 30 days - PLEASE be aware that as soon as you've downloaded it, it can not be returned.

TERMS

This license agreement is effective from the moment the product is purchased or acquired by any means. The license will remain in full effect until termination by Cinetools. The license is terminated if you break any of the terms or conditions of this agreement, or request a refund for any reason. Upon termination you agree to destroy all copies and contents of the product at your own expense.

Licenses cannot be transferred or sold to another entity, without written consent of Cinetools.

By purchasing this product you agreed all the terms, conditions and limitations of use contained in this agreement.
