SCI-FI, FANTASY, HORROR, STEAMPUNK SFX LIBRARY

PERFECT FOR PARANORMAL PHENOMENA, ALTERNATE TIMELINE, GOOD VERSUS EVIL SCENARIOS

You can run, but you can't hide! Allow us to introduce "Uncanny" a groundbreaking sonic experience that transcends the boundaries of reality, seamlessly blending elements of Sci-Fi, Fantasy, Horror, and Steampunk into an enchanting symphony of otherworldly sounds. This meticulously crafted sound pack takes you on an unparalleled journey through uncharted territories, where the line between imagination and reality blurs.

Feel the hairs on the back of your neck stand up as you're enveloped in the chilling embrace of atmospheres that whisper ancient secrets and hidden terrors. Immerse yourself in the enigmatic world of steampunk machinery with mind-bending benders and mechanical sounds that defy conventional audio boundaries. Experience the visceral impact of bone-chilling booms and hits that resonate through your very soul. Let the ticking of mystical clocks guide you through time and space, while haunting stingers and swells punctuate the silence, sending shivers down your spine. Break free from the constraints of the ordinary and let your creativity soar; "Uncanny" provides you with the tools to craft unique soundscapes that leave a lasting impression on your audience.

In detail, expect to find over 7GB of high-quality sounds, including more than 1000 ready-to-use designed cinematic sound effects. This extensive collection comprises 86 Atmospheres & Backgrounds, 66 Benders, 78 Booms, 87 Clocks, 148 Hits, 89 Markers & Signatures, 61 Noises & Glitches, 45 Pings, 41 Pulses, 42 Reverses, 73 Rises & Suckbacks, 50 Stingers, 39 Swells, 38 UI & Mechanicals, and 67 Whooshes & Passbys. Each sound was meticulously recorded at 24-bit/192kHz and designed and delivered in the industry-standard 24-bit/96kHz format to ensure the highest quality for today's cinematic production needs. All sounds in this library are perfectly categorized and labeled, facilitating quick and easy access to evoke specific emotions you need for your projects.

Perfectly suited for paranormal phenomena, alternate timelines, epic apocalyptic adventures, modern slasher movies, good versus evil scenarios, spine-chilling horror soundtracks, cyberpunk horror-themed movies, brain-twisting thriller projects, or mysterious productions, this library is your ideal companion.

Are you ready to venture into the unknown? "Uncanny" awaits, prepared to transform your audio projects into unforgettable auditory masterpieces. Dare to explore, and let the journey begin!

THANK YOU!

Thank you for enjoying "Uncanny"; a groundbreaking sonic experience that transcends the boundaries of reality, seamlessly blending elements of Sci-Fi, Fantasy, Horror, and Steampunk into an enchanting symphony of otherworldly sounds. This meticulously crafted sound pack takes you on an unparalleled journey through uncharted territories, where the line between imagination and reality blurs..

If you have any questions or need anything at all, just let us know. We're always happy to hear from you..

LICENSE AGREEMENT

By downloading the library you accept the following license agreement:

LICENSE GRANT

This license is granted for a single user only (and is given on a worldwide basis). The license is non-exclusive and is granted for the full period of copyright protection and sound samples. No unlicensed use is permitted. All sounds and samples contained in this product are copyrights of Cinetools.

Cinetools allows you to use any of the sounds and samples in the library(s) you've purchased for the creation and production of commercial recordings, music, sound design, post production, or other content creation without paying any additional license fees. The Licensee may use the Sounds in combination with other sounds in music productions (which include soundtracks of such as films, video productions, radio/TV programs or commercials, computer games and multimedia presentations, library music), public performances, and other reasonable musical purposes within musical compositions.

The Licensee may modify the Sounds and may use the Sounds for commercial purposes as part of a musical composition with other sounds.

This license expressly forbids usage of Cinetools products (in particular samples, loops, cues) to create sounds OR other content for any kind of virtual instrument, sample library, sample-based product, musical instrument, or competitive products that are sold or relicensed to multiple third parties. In these scenarios the Licensee must arrange an extension with Cinetools.

In addition, "naked" or "isolated" samples, loops, cues are not to be sold or distributed as individually licensable "stripes", "work parts" or "elements" and cannot be used to create tracks for Library Music.

This license also forbids any unauthorized transfer, resale or any other form of re-distribution of this product, or its constituent sounds or programming, through any means, including but not limited to re-sampling, reverse engineering, de-compiling, remixing, processing, isolating, or embedding into software or hardware of any kind. You cannot electronically transfer the sound samples or place them in a time-sharing or service bureau operation or a computer/sampler network.

RIGHTS

Cinetools retains full copyright privileges and complete ownership of all recorded sounds, instrument programming, documentation and musical performances included within this product.

REFUNDS

Downloaded libraries can't be returned, so we can't provide refunds or exchanges - unless you have a faulty product. In this scenario, that product will be exchanged for the same product for a period of 30 days - PLEASE be aware that as soon as you've downloaded it, it can not be returned.

TERMS

This license agreement is effective from the moment the product is purchased or acquired by any means. The license will remain in full effect until termination by Cinetools. The license is terminated if you break any of the terms or conditions of this agreement, or request a refund for any reason. Upon termination you agree to destroy all copies and contents of the product at your own expense.

Licenses cannot be transferred or sold to another entity, without written consent of Cinetools.

By purchasing this product you agreed all the terms, conditions and limitations of use contained in this agreement.
